HMAS Patricia Cam Memorial

Hi Mike Would have loved attending the memorial at Yirrkala. Please keep me in touch with any other memorials. On reading the articles on the websites, I knew Uncle Andy had been seen clinging to some wreckage with another person before he disappeared but didn't know that person's name. If the Moffitt family would like to contact me. Cheers Heather

Hello Mike. What a lovely surprise to receive your message. My name is Heather nee Johnston. Uncle Andy was my father's younger brother. I have a brother, Robert, and a sister Cheryl. Dad's youngest brother, Stan, is still alive and lives in Cairns. Uncle Stan has two children, Karen and Russell. We are about to leave in our caravan and travel north and will visit Uncle Stan sometime in early June. Do you have any photos of the memorial?

I'm seeking the family of Andrew Alexander Johnston who lost his life in the sinking of HMAS Patricia Cam in 1943. We recently dedicated a memorial at Yirrkala in NE Arnhem Land and are planning events for the 75th anniversary. Members of the Moffitt family are particularly keen to make contact.

My name is Mike Owen of PastMasters , email topendheritage@outlook.com, 0889481203 & 0419810928. I'd appreciate any assistance in contacting the family.
