Lynne - I'm researching the story of the sinking of HMAS Patricia Cam on 22nd January 1943 and am looking for the family of Bertram Robert Leslie Stevens who was a Telegraphist on the Pat Cam.

We recently held a memorial at Yirrkala & events are planned for the 75th anniversary in January next year. I'd be grateful for any assistance with contacting the family.

Hi Mike,

I can't help you, sorry. I am not related to this family group so don't know anything about them. I can't think of a way you could trace people of that age (born about 1950, they are too young) and with fairly common names.

Good luck.

Kim

Kim - I've had another look & Bertram Robert Leslie Stevens (1920-1971) married Betty Emelie Knight in 1950 - she was the daughter of Fred Knight & Ethel Cleeve Wrench which is perhaps how the name links to the material that you posted including photos of the Stevens family. There don't appear to be any children but maybe nobody has updated this branch.

Kind Regards

Mike
