I'm trying to contact descendants of those involved in the sinking of HMAS Patricia Cam in 1943 amongst whom was Hulbert George Challender. We've just dedicated a memorial at Yirrkala in NE Arnhem Land and there is a suggestion of a Last Post Ceremony or similar at the Australian War Memorial in Canberra in January 2018 for the 75 anniversary.

I'd be grateful if you were able to put me in contact with family members.

Kind Regards
