Series note	The series consists of files containing form S206 (later revised as form PP101) which are routine six-monthly confidential reports by Commanding Officers. The form has been revised over the years from fairly cryptic comments around c 1910's to six broad sections around the 1920's. As well as giving basic details such as name, rank, date of birth, ship, and period covered by the report, the six broad sections that form the body of the report are: 1. gene ..... (More)
